

2010 AHP Funding Round Workshops – Featuring the New AHP Online System!

FHLBank Pittsburgh is pleased to announce that applications for the Affordable Housing Program (AHP) will now be accepted via a new online system on our Bank4Banks.com customer website. In 2010, FHLBank Pittsburgh will hold one competitive AHP funding round with approximately \$3 million available to support affordable housing projects within our district.

Registration for FHLBank Pittsburgh's 2010 AHP funding round will begin on July 7, 2010. Applications are due by 5 p.m., September 9, 2010.

To help you participate in the funding round, FHLBank will conduct a series of workshops focusing on using a new AHP Online application. The workshops will cover how to register for the 2010 funding round and how to navigate the new AHP Online system, which will be used for the 2010 funding round. AHP scoring and feasibility requirements will be discussed as well. FHLBank Pittsburgh will conduct four workshops at locations across the district, while also offering two workshops as webinars.

All workshops will begin promptly at 9 a.m. and last approximately 2 hours. Continental breakfast will be available at the onsite locations(*).
